M	=	_____	mm (lenght of runway)

Runway

- by yard
- by FUCHS Fördertechnik AG

Dec 2006

Technical data

Capacity (SWL) _____ kg

Electrical equipment:

Supply voltage _____ V
Control voltage _____ V
Frequency _____ Hz
Safety class IP _____

Control unit:

- Connected to crane
- Connected to hoist
- Sliding
- Wall mounting
- Radio remote control
- Halogen Lamp _____ W
- Load indication
- Upside-down delivery

Travelling speed:

Crane app. _____ m/min
Trolley app. _____ m/min

Hoisting speed:

Main app. _____ m/min
Precision app. _____ m/min
