

Lloyd's Register Approved Service Supplier

Supplier	FUCHS Fördertechnik GmbH.
Address	Am Knick 18, Oststeinbek, 22113, Germany
Contact Details	F: +49 40 71001099; E: dirk.dzelnitzki@fuchs-cranes.de
Contact Number	T: +49 40 71001020

The above company having been assessed hereby receives approval in accordance with the requirements of Lloyd's Register Procedures for Approval of Service Suppliers as Supplier from the address(es) listed above for the provision of

Maintenance, thorough Examination, Operational Testing, Overhaul and Repair of Lifeboats and Rescue Boats, Launching Appliances and Release Gear

This approval is restricted to personnel directly employed by the Service Supplier. It does not cover agents, subcontractors nor subsidiaries.

Service supplier's personnel are certified in accordance with a recognized national, international or industry standard - ISO 23678, or a manufacturers certification programme for the equipment listed in the Appendix A (LR2495654AS) to this approval.

The recognition is in accordance with Resolution MSC.402(96) Annex, Section 7 & 8 and IACS URZ17 (Rev.14 Mar 2019).

This Service Supplier has been approved to service the equipment in accordance with IMO Resolution MSC.402(96), as amended.

Service engineers are to be provided with a valid certificate, issued by this Approved Service Supplier, which defines their level of qualification and the scope of the certification (i.e. makes and types of equipment and specifically state which activities (e.g. annual thorough examination and operational tests; 5-year thorough examination, overhaul; overload operational tests; repairs) are covered by the certification). This certificate should be made available when requested.

Lloyd's Register Approved Service Supplier

Surveys, Servicing And Testing Of Lifting Appliances

This approval is conditional upon the Supplier maintaining the documented scheme as audited by any member of the Lloyd's Register Group and hereby approved; and notifying Lloyd's Register in writing of any change to that scheme including any change in personnel, equipment or procedures. This certificate is issued to the Supplier and, subject to the Supplier complying with the necessary conditions, is valid to the date referred to above.
